

# Prayer for Conversion and Commitment: Called to be Stewards of God's Creation

By Caritas Singapore

Be praised, O Lord, through all your creatures  
Let all creation give you praise  
For you have created the heavens and the earth  
You have fashioned all creatures  
And you have made humankind in your image  
Behold! How wonderful everything is!

Yet, sin and darkness have crept into the world  
Your children are crying and hungry  
The earth is polluted, and our environment is devastated  
The climate is changing, and disasters abound.

So put in us a spirit of conversion and love  
Remind us that you called us to be your stewards  
Let the cry of the earth and the cry of the poor break our hearts  
So, we may return to you in humility for your grace.

Then, stir in our hearts a desire to heal our common home  
Move us to go out as Christ's disciples with faith and hope  
As communities and parishes in the Church of Singapore  
Together with all people of good will.  
Give us the strength and the courage to commit to this mission  
So that your kingdom may come.

Amen.
